## NHS Lanarkshire has exciting plans for the development of a new, state-of-the-art University Hospital Monklands.

After extensive review, the existing site of Monklands is considered too small to build a replacement, especially while maintaining an operational hospital.

The Board of NHS Lanarkshire has approved a shortlist of three potential new sites for the hospital:  
**Gartcosh, Glenmavis, Wester Moffat**

A site evaluation process will be undertaken through a formal scoring event, involving a representative group of members of the public and NHS staff, on 10 March 2020.

As we prepare for the scoring event, the community's input is vital. This leaflet shows how you can participate, including taking part in the scoring event.

To ensure you have as much information as possible to help you get involved, we've also published detailed information about each of the sites at [www.monklands.scot.nhs.uk](http://www.monklands.scot.nhs.uk).

You'll find reports, facts and figures on: site history, site conditions, transport and travel information, site remediation costs, road infrastructure costs and construction costs, equality and diversity impacts, socio-economic impacts (known as Fairer Scotland Duty).

## Community discussions

**18 February 2020:** Gartlea Community Centre, Airdrie, 7–9pm.

**19 February 2020:** Gartcosh Social Club, Gartcosh, 7–9pm.

**25 February 2020:** Cornerstone House Centre, Esk Walk, Cumbernauld, 7–9pm.

**27 February 2020:** Conforti Institute, Calder Avenue, Whifflet Coatbridge, 7–9pm.

These independently-chaired events will provide an opportunity for the community to discuss with the Monklands Replacement Project team the key issues of importance to them regarding the shortlisted sites.

## People's Hearing

**2 March 2020:** Excelsior Stadium, Airdrie, 10am–8pm.

A structured event which will be live streamed online. A panel will hear formal representations from members of the public or organised groups with any concerns they have about the accuracy or legitimacy of the information issued on the shortlisted sites. This feedback will then be assessed by the panel to inform the presentations at the site scoring event.

**Participation requires prior registration and submission of your written evidence/presentation by noon on 24 February 2020.**

For information on how to take part – see the People's Hearing briefing sheet:
